

NARRABRI & DISTRICT PONY CLUB INC

Show Jumping Equipment Upgrade

In May 2013 we started the process of applying for the Narrabri Shire Council's Sporting Grant Scheme to improve our show jumping equipment along with making some much needed alterations to our jump trailer.

It was with great delight that we received verification in June from the shire that we had been successful in our application to improve our jumping equipment.

Many of our members contributed their spare time to helping out with our jump equipment upgrade, a special thanks to both Gina Bange & Kate Rice who did all the ground work for the grant application and saw to it that the new additions to our jumping equipment were ready to go for our annual pony camp and show jumping day.

Many of the local businesses were more than happy to assist us with this project and we would like to make special mention to the following businesses:

Pursehouse Rural Narrabri
Narrabri Mitre 10
McKechnies Narrabri
Max Orman Paints
GKS Fabrications Pty Ltd
